God is good!

Dear Friends,
We are so grateful in how God surprised us with His faithfulness...

Praise the Lord, we have a multi-cab to bring us to

school with the Girls and Andrew. Its also useful for marketing going to church and other things to do for the ministry... at least we are not walking in the mud.

We are so thankful the Lord lead a person to pay for our transportation—this Multi-Cab—to get us trough the muddy roads as we spent so much time trying to get

other car out of the mud. We are now praying they will fix this road or put some gravel on it as its even hard on this truck to get trough.

We have 9 Girls now 6 of them are students and 3 of them are out of school, so they always stay in the center with us.

Thank you for all your prayer's, God provided us a lady Social Worker to work with us, so then I can sleep with my son and my husband again. Because somebody has to stay with the girls also during night.

About the

farm... its doing better specially the ground, we just got our first harvest "Upo" vegetables.

Miracle Report we had a girl admitted in our Cagayan Center that was shot 14 times by its abuser and she survived it. The Lord must have a special plan for her life.

merry christmas!!!

Soon we will celebrate the Christmas and our son Andrew is always looking forward to that, then he keeps on asking what will be our gift to him and who will give and what will be inside the gift. For him, Christmas is about the gifts... I find him now so much fun for he is in the stage of why? And he loves to talk, converse with people, he loves to introduce himself and give his hand. He is a big boy and does`nt want to be called a baby but a BOY. He is doing great in the school and his favorite subject is Mathematics.

He loves swimming and of course he always said, I like the pool in Oma

and Opa's place for there is a cover (which was in Germany) for there is no sunburn. He speak's a lot of Cebuano now and trying to be a translator of his Daddy.

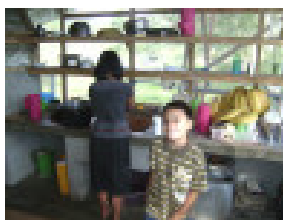

Andrew likes to help in the field!

2009

soon will come and as we look back, we've learned a lot in the past and most of all we see the grace and faithfulness of God, HE IS AWESOME GOD!

Again thank you for all your continuous support and prayers and may God richly bless you.

happy new year!
