Dear Friends,

Welcome 2009, 2008 is over and it seems like yesterday, we just had our Christmas ce-

lebration, just watching the Girls opening their gifts.

We celebrated with our Girls in Nehemiah House at Malaybalay, while most of our staff were having vacation so we were the one taking care of them.

We had a Christmas treat with the Girls at Jolibee.

Before

Christmas, we had been praying that we could have enough money so that we could treat and buy Gifts for our Girl's... an abundance... and God provided it and we are so blessed that He faithfully

blessed our Girls and we could do some shopping with them.

God is so good.

ning gifts from friends, Ninong; Ninang (God-parents), Auntie's and Uncle's and family.

It's already 2009 and another year, another adventure in life.

In March we are invited to teach in a BCC school in YWAM-Davao, we thank God for the opportunity that we can share His word to people in the school.

New Years, we were at my Mom's place and celebrated with my brother's and sister's and there families.

During the month of December Andrew was enjoying receiving and ope-

September to October 2009, we are planning to visit friends and families in Germany, we are looking forward to this trip and pray that God will provide our airfare and other expenses for the coming trip.

Praise the Lord!

We have 9 Girls right now and thank God that they are all manageable and most of them are teachable.

Carlo and Jeavy are both working with us as a volunteer staff for more than a year now. We thank God that after all the prayer's and teaching with them they really changed a lot and turned to be trusted men of God, the y learned to be faithful in many things. Now they are joining a DTS in YWAM-Cebu. We are so blessed in how God changed them.

God is so good to us. Even when we fail He is always faithful. In Him there is always hope. In Him there is always joy even if we

don't have enough. And we thank God for everything.

So thank you for your faithful support, prayer and friendship with us, you are a blessing to us. Please let us know your prayer request so that we can pray for you specifically.

God bless you.
