

# Abler's updates!

April 2009

*Dear Friend's,*

So much happening in our lives in the last month.

When I remember it I find it unbelievable to know the fact that my younger sister died. *(Sister from Ana)* She was the most healthy and physically fine among all of us in the family.

Few days before she left, I had a good talk with her and assured her that we will be planning to support her other son for college since the oldest is graduating this March.

**Life** is so short and we don't know when and what will be the next, we can plan but we can not control. We can organize but we don't know if we can make it happen for maybe tomorrow we will be with Jesus.

On the other side we are so thankful to God that although we are in the time of grief we can

praise Him in sustaining and strengthening us.

## *Time n Davao...*

After the funeral and burial of my sister we drove to Davao for a teaching in BCC School, it was a great time during the lecture and also we met our old friends in YWAM and Germany.

it's summer now and we always look for ways to make him busy.

That is Andrew's puppy and his name is "White-black".

Thank you very much for your support and prayer's, it's a blessing to have your friendship.

## **Congrats!!!**

Finally Andrew graduated in Kindergarten and he is so happy and proud to wear his graduation attire...
