God is good!

Dear Friends,

Here we are updating about our life in the Philippines.

I just realized that sometimes as we listen to the world news and even the Christian surroundings, it's kind of scary and discouraging in a sense that everywhere you hear of "crisis" or a worldwide financial problem.

Then I started thinking that God is in control no matter what or whatever happens in this situation. For our God is a great and big God creator of the entire universe and He can be trusted.

Our bedroom finally renovated as our little apartment and it's finally finished. Andrew has his own bed and we are happy for our new Sala set, our automatic washing machine and etc. we are so grateful to God in providing friends like you to be an instrument for the comfort of our living here.

We thank God that He allowed us to

have a 3 days holiday in Camiguin Island for it was fun and refreshing after the death of my sister.

We enjoyed so much the beautiful nature like a hot spring which came from the volcano.

our Girl's

We have a 5 day's camp together with the 3 center's of Nehemiah and our Girl's have really enjoyed the fun and we are also having a lot of fun as a family.

At the same time we will be also enrolling 2 of our Girl's in Nehemiah.

Andrew's Corner...

Last month we celebrated Andrew 7th birthday and he was so glad that he could blow the candles of his birthday cake. Then we had a treat for him from his Oma and Opa's gift.

This month we will enroll Andrew for School. He will be in first grade and he is so excited to go to school which will start by June 2009.
