

# Our Updates

November, 2007

Dear Friends,  
Gott ist gut! This was our theme, during our trip through Germany last September and October. Truly God is always good and faithful to us everywhere we go.

It was amazing how God ordered our trips in spite of the miscommunication, my ticket's name (instead of Analea they wrote my name into Ana) and in the last days God made a way, that the airline finally changed it to my real name.

## More:

In the last minutes the ferry office called to the broken phone of Michael which did not work for more than a month and said, "that we need to transfer to another boat" and miraculously as we went to the ferry office there was only three available tickets for us to Cebu, right after me came a guy which also wanted to buy 7 tickets but sad for him that they were sold already to us.

Our trip was full of excitements and surprises for we didn't know if we could have any speaking engagements or if we could have the chance to share the ministry.

Our first two weeks we spent time with Andy's family and then after that we started sharing the ministry with our friends near by.

29<sup>th</sup> of September we had a gathering with all our friends and families in the place of my husband parents and it was great to see them all and I was so happy to meet them... We really missed our friends and families in Germany a lot... of course we had a good time being together with all of them.

It was also great to meet most of our friends in YWAM though we

where not able to meet all of them.

Thank God for all our friends who are always supporting and back upping us with prayers. We are so blessed!!!

Just lately we celebrated the faithfulness of God to the ministry and held

it in Patpat Nehemiah.

## Christmas

Soon we will celebrate it and we are looking forward to that.... and this year will be over...

**Happy new year!**

May you all have a blessed holiday season and God richly bless you all.

Be blessed,
